- 1 LIMESTONE STEPS
- 2 CEDAR DECK
- 3 CEDAR BENCH
- 4 CHANGE AREA
- 5 STORE BOX

This beach side getaway is located on a large site hugging the shore of Lake Ontario in Prince Edward County. This cabana is one of many small buildings taking advantage of the site's less accessible and ecological sensitive locations – sitting lightly in a conservation authority regulated zone. It provides an access point to the pebble beach and two ponds while sheltering the user from the harsh sun.
